

Don't look for your dues invoice in the mail.

We're saving money and resources this year by posting dues renewal invoices online.

Payment is easy!

1. Go to <http://tinyurl.com/CSIAlogin> or click on the renewal link from the home page of controls.org.
2. Login using your company's username and password
(please contact CSIA at (800) 661-4914 or follow the directions on the login page if you aren't sure if your login information)
3. Select "Dues & Transactions" from the left-hand column
4. Click on your open invoice to complete your transaction with a credit card.

And there you have it.

While you're logged in, we also invite you to update yours and your company's profiles by selecting "My Information" in the left-hand column. For integrators, this information is searchable via the [Find an Integrator](#) site, so you'll want to make sure it's up-to-date and accurate.

Our thanks for your continued support of CSIA. Throughout 2012, CSIA will continue to add value and services to advance control system integration for the success of our members and their clients.

Thank you!
